✦ KERRI'S PRO TIP FOR PROFIT

Always suggest a **"bundle"**! If a bride asks for a shirt, suggest matching luggage tags or can coolers. Turning one sale into a set is the fastest way to grow. Focus on the **"Proposal"** stage early—if you help her ask her bridesmaids, she'll come back for the rest!

✦ KERRI'S SOURCING TIP

[Check out the Johnson Plastics Plus Wedding Guide.](#) Use the "Show Only Sublimation" filter at the top to find blanks ready for your heat press immediately!
